Projects

1.icecream-websitecopy.netlify.app

- A simple ice-cream dessert menu / shop landing page.
- Showcases various sundae flavors, including:
 - Chocolate & Roasted Hazelnut Sundae
 - Mango & Cream Sundae
 - Salted Caramel Brownie
- Displays featured items with an “Order Now” option.
- Includes an All-time Favorites section with flavors such as:
 - Black Currant
 - Very Berry Strawberry
 - Cotton Candy
- Provides navigation links, including:
 - Home
 - About Us
 - Our Stores
 - Blog
 - Contact Us
- Contains footer information like Terms & Privacy Policy.
- Website URL:icecream-websitecopy.netlify.app

2.cafe-websitess.netlify.app

- A simple promotional website for a café or dessert shop named MR.Cool Cafe.
- Highlights the menu offerings of the café.
- Includes calls-to-action for ordering.
- Provides basic navigation sections (e.g., Home, Menu, About, Contact).
- Designed as a practice or demo website.
- Hosted on Netlify.
- Website URL: cafe-websitess.netlify.app

3.awesome-gym-website.netlify.app

- The project focuses on user engagement, clean layout, and mobile-friendly design, making it suitable for real-world fitness website concepts.
- This is not an official gym or fitness brand website. It is a frontend practice project developed to improve skills in HTML, CSS, JavaScript, animations, and responsive web design.

- The website is a demo or clone of the official Confluent homepage.
 - It emphasizes cloud-native streaming architecture.
 - It presents enterprise-level data solutions.
 - The site is hosted on Netlify.
 - It is created for practice and deployment purposes, not an official Confluent website.
 - Website URL: confluent-project-8-718.netlify.app
-

Grit and struggle

I never giving up.
I faced problems but continued
working hard to achieve my goal
and my task.
my mind is not give permission to
go easily.

LANGUAGES

Hindi

English

Telugu

Curious to learn

I always interested in learning new
things and exploring new things. work
on new ideas. its gave me confident
and positive mindset

Self taught

I did not depend only on teacher or
classes. I used books, internet, and
youtube videos and practice to learn
More and more Knowledge.

Drawbacks of not Hiring Me

well.....You miss out on the
above visible perks and that is
drawback enough
